MARCH 2019

FUN FAIR – SAVE THE DATE

Our annual Fun Fair will be held on **Thursday, May 9th**. We are beginning to plan for this event and we are looking for volunteers to help us. Please contact Miss Bobbi if you are able to help out – we really need your help to make this event successful.

Fun Fair Organizing Meeting March 20th 3:15 pm at MPS

We have begun our Money, Loose Change Fundraiser for Fun Fair from February 20th to March 8th. All money raised from this will be used to purchase prizes for our raffle tickets or penny table. Thank you for your support.

LAURENTIAN SKI HILL

Students in Grades 4-8 will have the opportunity to enjoy a day of skiing at Laurentian Ski Hill in North Bay on **Thursday March 7th**.

ATTENDANCE AND PUNCTUALITY

Regular attendance is essential for success in school. We want all of our students to have a successful and enjoyable school experience. Being absent from school, arriving late to school, or leaving early for non-essential reasons, does not normally result in a good experience both academically and socially. School starts at 8:45 each morning and students are expected to be in class at that time. Students with a high number of lates and absences will be referred to the school's attendance counselor for support and assistance.

MARCH BREAK

March Break will begin on Monday, March 11th until Friday, March 15th. We wish all of our MPS families a safe and happy winter break!

TELEPHONES

Due to intermittent issues with our school telephone, please call the school back if you should be disconnected. Sorry for any inconveniences

MAKER SPACE AT M.P.S.

What is maker space? Maker Space is a space that students can use to be creative, to be innovative to become independent and technologically literate. Together the staff and students at MPS are going to expand our maker space in our library.

We need your expertise to help create this space. We are looking for volunteers who have experience with sewing, beading, scrapbooking, lego construction or anything you think our students could benefit from. If you are able to help us out with any of these, please call Miss. Bobbi at the school. Our students would benefit from the learning you could share with us.

SNACK AND LEARN

All parents/guardians are invited to come to school on Thursday, March 29th between 1:35 – 3:00 pm and join their child(ren) for an afternoon of fun and learning.

Students and their families will come together to promote the benefits of a healthy Life Style coupled with the importance of engaging in math games to increase math fluency. Stay tuned for further information!
