OCTOBER 2018

FALL FEAST

MINDSET MATTERS Growth Mindset Corner

What is a mindset? It is an attitude that determines how you will interpret and respond to situations. And it is based on brain research. Scientists know that as we experience and learn new things, we create new pathways and connections in our brains. The more these pathways are travelled – by repeating the experience, by practising, by working with something – the easier the pathways are accessed. We will continue to focus on developing a growth mindset culture at MPS again this school year.

Our annual Fall Feast for students, staff and special guests will be held on Friday, October 5th, 2018. We are looking forward to a wonderful lunch with our community partners and school community as we celebrate Thanksgiving at MPS. Thank you to all of our MPS families who have made donations for this luncheon and have volunteered their time to help prepare the meal. This would not be possible without your support.

We would also like to wish all of our MPS families and friends a very Happy Thanksgiving. There is no school on Monday, October 8th, 2018.

Halloween at MPS Wednesday, October 31st

On October 31st, students will enjoy an afternoon of House Families with a focus on Character Education. If students wish they may wear orange and black or wear a costume, or neither. We leave this decision with your family. Please leave masks and weapons at home if you are wearing a costume.
